BALANCED BUDGET RECONCILIATION/Cheese

SUBJECT: **Balanced Budget Reconciliation Act of 1995 . . . S. 1357. Domenici motion to table the Feingold amendment No. 2999.**

ACTION: MOTION TO TABLE AGREED TO, 57-42

SYNOPSIS: As reported, S. 1357, the Balanced Budget Reconciliation Act of 1995, will result in a balanced budget in seven years, as scored by the Congressional Budget Office (CBO). The bill will also provide a \$245 billion middle-class tax cut, \$141.4 billion of which will be to provide a \$500 per child tax credit.

The Feingold amendment would strike the bill's elimination of section 102 (Milk Manufacturing Marketing Adjustment) of the Food, Agriculture, and Trade Act of 1990 (7 U.S.C. 1446e-1).

The amendment was offered after all debate time had expired. However, 1 minute of debate was allowed on the amendment by unanimous consent. Following debate, Senator Domenici moved to table the Feingold amendment. Generally, those favoring the motion to table opposed the amendment; those opposing the motion to table favored the amendment.

Those favoring the motion to table contended:

Section 102 of the 1990 farm bill was put in that bill to override State operating orders. It has been in existence for 5 years and has never been used. We do not see why our colleagues would choose to make an issue of a provision that has never even had any effect.

Those opposing the motion to table contended:

The repeal of section 102 will increase purchases by the United States taxpayers of California cheese surpluses by \$20 million. We have nothing against California cheese producers, but we do not see why we should give them this \$20 million gift.
